

William Kennedy

William (Bill) Kennedy is the new CFO of SecurityPlus. He started his credit union career as CFO at Department of Justice FCU, after working as Senior Accountant at the FSLIC Receivership Division under Mr. William Linane Sr. who encouraged him to bring his talents to credit unions when the FSLIC Division was moving to Atlanta. At the time Mr. Linane was also HUDFCU Chairman and a Board member at Cap Corp.

Bill's credit union career since then has mainly been in credit union turnaround situations. Because of his strong leadership, turnaround skills and his overall extensive involvement in the community he was honored and recognized with the NAFCU Professional CEO of the Year and the Judith A. Burgin Memorial Professional of the Year Award and the 2019 Credit Union Rock Star Award.

Both nationally and locally, Bill is heavily involved in giving back to the credit union movement and community at large. He is the founder and for six years, until 2019, directed the quarterly Mid Atlantic Finance and Accounting events held at the Association. Other past experience includes being elected by CFO peers to two separate terms on the CUNA CFO Executive Board; ten years of full and part time College Business Faculty, NJ CU Foundation Board, Police Athletic League Board member/Treasurer, Argyle Country Club Board member/Treasurer, Fellowship of Christian Athletes (FCA) Camp and Huddle leader, Board member of Maryland Credit Union League, and Board member/ Treasurer of National Capital Central FCU, CUNA Mutual CEO Select Group, a MACUMA Board member and an advisor to the George Washington Credit Union startup initiative.

Bill is passionate about bringing recent college graduates and current college students into the movement. As a business faculty member, it disappointed him that students did not have a credit union career on their radar. He set about to change that by offering internships whenever possible, and to date he has mentored over 80 college interns, many who have entered and remain involved in the movement.

Bill a CCUE and NCCO, holds an MBA from the Executive Program at Loyola College, additional Masters Level Accounting courses from Liberty University, and a Bachelor of Science in Business and Accounting from the University of Maryland, College Park.

Bill and his wife Ann live in Frederick, Maryland. During his free time Bill enjoys golf with his adult children, serving the FCA, and is itching to get golf clubs in the hands of his five grandchildren.
